1. The Italcoop firm, of 61 Via Campania, Rome, has received a letter from Hansa-Stahl-Export, of Dusseldorf, in reply to its request for a bid for furnishing 20,000 tons of steel for reinforcing concrete. The steel is for delivery to Burgas, Bulgaria, and is to be used in the construction of fortifications.
2. Hansa-Stahl-Export replied that it could furnish the amount requested by March 1951. This delivery date is considered too late by Italcoop, since Bulgaria has asked for urgent delivery.
